Jain Bhavan, Loresho

One ticket =  
KES 5,000/-  
which will feed 50  
Students

## FOOD FOR LIFE – CYCLE FOR LIFE AND CEREBRAL PALSY CENTRE KENYA PRESENTS

### FOOT...FOR FOOD FOR LIFE

A walk to raise funds to feed school children  
in impoverished areas as we assist more  
children with Cerebral Palsy

The Cerebral Palsy Centre was created to educate and support children with CP. We offer physiotherapy and occupational therapy to improve mobility and communication skills.

We currently serve 124 children with CP.

Our goal is to expand and create centre that better suits their needs, enhancing their therapies, education, and overall development.

Join us in making a difference  
in these children's lives.
